March 2024

Dear friends,

Praise the Lord! This last Sunday we had 1,070 people in our church. After preaching, eight people received Christ as their Savior and many others made dedication decisions. God is good! By the Lord's mercy, He has allowed us to start more than 70 churches and they are growing.

But there are still many cities and towns without a church. It's my desire to reach all of these places with God's Word. We also have plans to start more churches in other areas of the country. Pray with me for this desire that God has put in my heart.

In our Bible institute where we prepare the people, God has permitted me to teach this year the course of Prophecy, mission-ology, how to start new churches and pastoral theology. It's my joy, really great joy, to teach these students what's in the Word of God.

My wife Susan teaches the pastors wives a special course and these women are spending a great time together as they learn and share. They call the course a postgraduate course.

Two weeks ago I was preaching in one of our churches that we have been able to start with God's grace, and there was an elderly man in the service . After the service he left on his bicycle to go home. Wow, a man more than 100 years old! God still does miracles. I asked the pastor of the church, "Really, he is more than 100 years old?" And the pastor answered, "Yes, he is 103 years old." God is grand!

Please pray for us, we know the Lord is coming back soon, and there is still so much to do.
