April 2024

I am thankful the Lord is good and that you all have been praying for me. My passport has been renewed and tickets purchased for a trip back to PNG in June thru July. A visas is still pending, though. My daughter, Joy and granddaughter, Amanda will accompany me for part of the trip. Hopefully, we will meet up with two Bible college students along the way, as well.

I am looking forward to teaching some classes with the seven new families who have come to Bible school this year. Keep praying for the four families that have gone out into the fields this year.

Pastor Francis's wife, Lena passed away last month. Two thousand people attended her funeral at Redemption Baptist Church and sixteen people have been baptized as a result of the preaching of the gospel. Five pastor's wives have passed away in the last two years. Pray those pastors will continue to stand strong in the faith.

At a resent mission meeting I was introduced to some cutting edge audio / visual equipment that can be used in village out reach. Ask the Lord to give me wisdom in evaluating this new promising technology for use in PNG. It is already being used successfully in other countries.

Shalom
