

Our Newest Prayer Letter

May 2024

Dear Pastor, Church Family, & Friends,

Wow! Where to begin? We are in the middle of a busy season; so there are several exciting things to share with you all. I guess I'll start with the most exciting. Yoxangela got saved! Carlos's brother, Isaí and his wife, Yoxangela, moved here about a month ago and are living with Carlos and Rounnellys while they get settled. She has been faithful to church and signed up for discipleship; he has been hit and miss. Due to some sickness, Carlos taught one of the classes, and after she prayed and accepted Christ as her Savior. Please pray for Isaí's salvation, as I believe God is working on him.

Speaking of discipleship, Christy finished going through the course with a few of our young people a few weeks ago. Amaro and Saraí are siblings. About a year ago, I was able to disciple their parents. Amaro got saved shortly after they started coming to church, but Saraí took a little longer. Shortly after her salvation they decided on their own that they should do discipleship too. This past Sunday, we were able to baptize Saraí along with another man in our church, Mauricio. Baptism Sundays are always exciting as we head out early to the Mediterranean Sea to baptize and then back to the church for breakfast before our service.

We had a great group here last week from Cornerstone Baptist Church in the Phoenix, Arizona area led by our friends Pastor John and Rachel Roy. They were a tremendous blessing! Aside from great attitudes and good fellowship, we were able to paint the entire church, pass out 2500 invitations to our 5th anniversary service coming up on June 2 (which is another prayer request), and put on a family conference. Our church is made up of a lot of new, or newly committed, Christians, and many of them come from difficult family situations. Recently I have had a lot of people asking about their roles in the home and how to be a Christian family; so the conference was a huge blessing and just what our church needed.

So two weekends ago, we had our family conference, this past weekend was our baptism Sunday, and this upcoming weekend is our anniversary. So as I said, busy and exciting!

Thank you all for being a part,

Markie Bullock
