

THE MACHS

ivory coast

May 2024

Hello fellow laborers in Christ,

God is continuing to bless our deputation endeavors! In the month of May, we have visited or passed through Oklahoma, Texas, Louisiana, Mississippi, Alabama, Florida, Georgia, South Carolina, and North Carolina. As a result of your prayers, God has given us travel mercies for over 25,000 miles since beginning deputation full time in January and we are very grateful!

God has provided opportunities along deputation to minister in different ways. In May, I was privileged to preach the commencement for the Christian school I taught at for two and a half years. It was a joy to see coworkers and students that I had taught and seen come to the Lord during my time there. God used that time in my life to teach me many lessons that will be invaluable to me as we move forward in the ministry.

We were also able to attend my younger brother's college graduation. Luc has completed a degree in Missions and has answered God's call to return to the Ivory Coast as a missionary. He will begin the deputation process once he has completed his work in seminary. It is a great joy to me that God has graciously decided to use my brother as well in His service in the Ivory Coast.

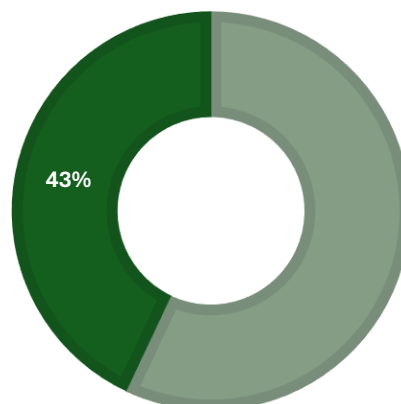

Prayer Request

- As our son's arrival date draws nearer, please keep both Micalah and him in your prayers. Because Micalah is carrying him very high, her ribs are constantly strained and bruised. Please pray that Micalah is able to gain some relief from the pain, and that both the baby and Micalah remain healthy. We are deeply indebted to you for your many prayers and encouragement.

Thank you for your prayers, communication, encouragement, and support. We are blessed to be co-laborers with you in the furtherance of God's glorious Gospel!

In Christ,

Bob and Micalah Mach
