## MISSION UPDATE AND PRAYER LETTER

April - June 2024

### PRAYER

**1 Thessalonians 5:25**  
*Brethren, pray for us.*

**Dr. Rodney Kelley**  
West Jacksonville Baptist Church  
Jacksonville FL 32205 USA

Dear Pastor Kelley and praying brethren,

Greetings in the name of our Lord and Savior Jesus Christ.

I was discharged from the hospital on April 7 & stayed in Dhaka City for more than a month for follow-up laboratory tests and checkups. When I got a negative ABF result on my sputum, we traveled from Bangladesh to the Philippines to continue my medication and recuperation.

Our hearts are sorrowful for our brethren in Cox’s Bazar, whom we have left behind. Thus, the necessity to be in our home place pressed upon us for proper medications and healing so that we would be fit to work back to the mission field.

However, we praise God for the opportunity to visit some of our supporting churches and have the privilege to share God’s Word to the brethren while giving reports about the ministry.

Thankful to those churches who invited me to speak to their congregation and to those who extended financial help for my medications.

Thank you very much for continually praying for us and for your financial support. May the Lord our God richly bless you and use you more for His glory and honor.

### Thanksgiving:

1. Thank God for the partial healing from my sickness.
2. Grateful to God for the brethren who extended their help for my medications and hospitalization.
3. Thankful for the safe travel back here in the Philippines.
4. Praise God for the privilege to see souls got saved and brethren surrendered their lives to God during my visit to churches.

### Supplications:

1. Complete healing from my sickness.
2. Provision for my medications and ongoing treatment.
3. Wisdom to maintain proper diet and good health.
4. Newly saved brethren to continue with their faith as we follow them up online.
5. God’s empowerment as I preach the Word of God to encourage the brethren in Christ to faithfully serve God and surrender to join us in the field.
